

## NORWICH HORSES MAKE GOOD SHOWING AT KINGSTON RACES

Norwich owned horses came through as winners in the racing events at the Kingston fair on Tuesday. Joseph Bedard's chestnut gelding, Billy B., taking the 2.20 pace and Peter Joseph, the chestnut gelding that made such a good showing at the New London County fair, at Norwich, winning the 2.17 trot. Extra horse wire run in three of the four races on the card and the brushes at the finish were thrilling, especially in the third heat of the 2.20 pace when Myott drove Billy B. to a nose finish over Wedgwood Burns after the Manchester horse had taken the first two heats. Billy B. was driven home a winner in the next two heats.

The other feature race was the 2.17 trot in which Peter Review driven by Myott, took the first heat and in the second heat broke in the stretch, making a long run to the wire. He was placed third in the heat although he went under the wire in second position. Mr. Bedard and Driver Myott protested that Review, driving Henry Muck, hit Peter Review with the whip as Peter Review was pushing down the stretch. In the third heat Peter Review trailed at the field but at the 2.4 mark came from behind and as the horses swung into the stretch led Alfie Dean by a nose, which head increased to a length as he went under the wire.

In the fourth and final heat Peter Review, again trailing the field at the start, swept on as the race wore on and came under the wire a winner by a good margin.

The 2.25 trot and pace went five heats as did the 2.20 pace, and was won by Hollywood Haggie, driven by D. D. Warner of Providence, after placing 2 and 3 in the first two heats. Second and third money was split between Billy Flight and Great Thought.

The 2.24 trot was won in straight heats by Sir Lancelot, a Shetland brown gelding. White Blackie was second and Margie P. placed third.
